

How to use your Sample Credits (Mobile App)

Our gift to you for your loyal business!

Ship your complimentary Simple Samples

**To anyone you choose every month for
all those on Auto-ship!**

**TWO Simple Samples for
\$50/mo Auto-ship**

**Sample Credits expire 30 days from issue*

1. Make sure you've downloaded your Mobile App (login and password is both your Cülbeans username). Or use the desktop version: culbeans.verbcrm.tech

2. On your "tools" page, scroll down to "Send a Product Sample" and click on the Simple Sampler picture.

3. Click on the "Send" button that has a picture of a letter at the bottom left corner

4. Click on "Add Recipient" where you can sync your device contacts. You must have a mailing address already entered for that person in your contacts otherwise you'll need to enter it into your contacts in your phone first, then do steps 1-3 again then choose your contact to send to.

TWO Simple Samples for

\$50/mo Auto-ship

**Sample Credits expire 30 days from issue*

1. Go to the website: culbeans.verbcrm.tech for our desktop version. Login with your Cülbeans username as both your username and password.

2. Click on Contacts, then “add new contact” and enter their name, mailing address and phone number. You can also choose the “drip campaign” which sends them follow-up emails automatically. Then click “save”

3. Go to Sampling on the top bar and click on “send product samples” and check the grey box next to the name of the contact you choose

4. Click on “send samples” on the bottom right of page
